Craig Hopkinson

Hatherleigh A.F.C was founded in 1904. In the early years, most of its football was played in the Kingsley league in N. Devon, before transferring to the Exeter & District League.

The club has had some very successful teams over the years, winning a variety of local cup competitions and various leagues. In the last few years, the first team has yo-yoed between the Senior and Premier Division of the Devon & Exeter league.

Some very good individuals have also played for the club. Probably the most notable being Norman Piper, who started his career at hatherleigh before playing at Plymouth Argyle, Manchester City and Portsmouth. He also represented England at under 21 level.

The club is now in the process of purchasing the Sportsfield that has been it's home for the last 50 years. This will be a big step towards improving facilities at the club.

Robert Heaman – Club Secretary
